Priority Check-in Information

Are you arriving extra early for an appointment? Did you want an early start on your sightseeing? Are you just an early bird? Do you want to get the most out of your vacation by arriving at the top of the day? Let us make you the priority of our day by arranging an early check-in.

Or . . .

Do you have a schedule that can't be rearranged and get a later than preferred start? Can't get an earlier flight, or end up on a delayed flight? With notice, we can arrange a later than normal check-in time.

A priority check in can be easily arranged in advance for those guests who want to check in earlier or later than our normal check-in times, whatever the reason. You can choose between our most popular options:

- **Early Check-in** is for guests who arrive earlier, at noon or a little after and don't want to wait until 3:00p check-in. For guests who know specifically when they'll arrive in the afternoon, you can arrange a time to check starting as early as 12:00n, I will make sure we have extra staff on hand to make your room ready when you want it,
... \$50
Priority Check-in is for our early bird guests who wish to arrive before 12:00n, and as early as 8:00a. For you, we can arrange this extra early check by reserving the room for the night before at half the regular room rate of the room you have reserved to ensure the room is available and ready for you after your early morning travel. Breakfast is included with this option at 9:00a.
... *50% of your regular room rate if room is available*
- **Late Check-in** is for guests wanting to check in later than 6:00p, but by 10:00p, at no extra charge. This must be prearranged in advance to ensure someone can be here to greet you.
... *No charge*
- **Extra late check-in** is for guests planning to arrive later than 10:00p and up until 12:00 midnight. We will have someone waiting up to greet you.
... \$50
- **After midnight check-in** is also available for arrivals after midnight. An hourly rate will be added to the Extra late check in fee, for arrivals after midnight to ensure someone is up waiting for your arrival.
... *\$25 per hour*

Are you the spontaneous sort? Were your delays unexpected? If at all possible, we will try to accommodate your check-in if outside our normal check in times. The above applicable rate will still apply--no need to worry about a last minute penalty. To ensure we can be ready for you, do call as soon as you know your plans.

Priority Check-in is ***based on availability*** at the time of booking for the same room you've reserved for the rest of your stay. If that room is unavailable, you may use another room, ***also based on availability***, so you'll be able to freshen up, nap or just have some quiet time, for an additional \$25, until your room is vacated and ready.
